About *Research Connections*

These data are made available by the Child Care and Early Education *Research Connections* project. *Research Connections* promotes high quality research in child care and early education and the use of that research in policymaking.

Research Connections is operated by the National Center for Children in Poverty at the Mailman School of Public Health, Columbia University and the Inter-university Consortium for Political and Social Research at the Institute for Social Research, University of Michigan, through a cooperative agreement with the Child Care Bureau, Office of Family Assistance and the Office of Planning, Research, and Evaluation, Administration for Children and Families in the U.S. Department of Health and Human Services.

ICPSR PROCESSING NOTES FOR STUDY # 4549
The 500 Family Study, 1998-2000

Within this data collection, users may encounter variables that do not contain variable
and/or value labels. Additionally, some wild codes may be found. We have attempted to
provide as complete information as possible based on what was supplied to us. If any
additional useful information is received about these variables, we will update the data
collection as needed.
